Sofia office

Stephen George and Partners was Founded in 1970, we are one of the UK's leading architectural practices with offices in London, Leicester, Leeds and Solihull. Our success in the UK led to opportunities overseas, resulting in the establishment of Stephen George International in 2009 and our office in Sofia.

Our strategic geographical locations combined with our talented architectural design teams enable us to offer specialisms in Masterplanning and the Industrial, Logistics, Office, Education, Retail and Refurbishment sectors. Our office in Sofia is our largest International office with upwards of 40 Architects and engineers, It is our centre for operating in Central and Eastern Europe and has a permanent team servicing projects in the UK predominantly in the master-planning and industrial sectors.

Our international background and rich portfolio allow us to apply world-class standards, precision and attention to our projects, abroad, as well as locally.

Alongside that, our experience in Bulgaria gives us the comfort when operating on administrative, legal, political and cultural level, allowing us to understand the local market and its clients, offering them solutions which are aesthetic, functional and cost-effective.
